( "TRIMEGA LABORATORIES" OR "THE COMPANY" )

## **TRIMEGA LABORATORIES IN FAST GROWTH AWARDS**

Trimega Laboratories, an international supplier of substance misuse testing products, has been shortlisted for 2009 The Fast Growth Business Awards, organised in conjunction with *Growing Business* magazine.

Trimega Laboratories is one of four finalists shortlisted in the Innovative Business of the Year category along with: iProfile, Monumental Games and Skyscanner. All finalists will also be battling it out for the overall title of T-Mobile Fast Growth Business of the Year 2009.

The Fast Growth Business Awards is an independent scheme designed to raise awareness and celebrate the UK's fastest growing businesses and the people running them. The awards are judged by a panel of entrepreneurs, industry experts and business journalists including: James Caan, entrepreneur and star of BBC's *Dragons' Den*; Kanya King, the founder of the MOBO Organisation; Alastair Lukies, Chief Executive Officer of Monitise; Andy Baker, Managing Director of the Friends Reunited Group and Perry Wilson, Managing Director of Insure and Go.

The judges awarding the 'T-Mobile Fast Growth Business of the Year' will be looking for an outstanding business where growth, potential for the future and current business success has made it shine above its competitors both financially and strategically.

Winners of the awards will be announced at a prestigious awards ceremony and three course dinner at the London Marriott on 18 March 2009. This black tie event promises to be an evening to remember. 12 businesses will win their categories and one business will be crowned the T-Mobile Fast Growth Business of the Year 2009.

NOTES TO EDITORS:

**About Trimega Laboratories**

Established in London in 2005, Trimega Laboratories ([www.trimegalabs.com](http://www.trimegalabs.com)) has developed a range of innovative techniques for testing substances of abuse. Its core business is laboratory-based analysis of hair samples that provides accurate historical records of any alcohol or drugs dependency over a one to 12 month period. This method is certified to ISO 9001:2000 by Lloyd's Register Quality Assurance, a UKAS-accredited certification body, and is used in the UK by Family Law specialists, social services, regulatory bodies, professions such as nurses and pilots, as well as being ordered by the Courts directly. Other services offered by Trimega Laboratories include: Roadside Drugalyzer Testing for law enforcement, Hair Steroid Testing for athletes, and most recently, Hair Benzodiazepines Testing. In 2008, Trimega Laboratories won the title of Best Use of Technology in the Barclays-sponsored Startups Awards, was a regional winner in the HSBC Start-up Stars and a finalist in the National Business Awards. Trimega Laboratories has also been shortlisted as a finalist in the 2009 Fast Growth Business Awards.
