ACQUISITION OF EUROPEAN HAIR ALCOHOL TESTING LABORATORY

The Board of Trimega Laboratories, a national supplier of substance misuse testing products (to customers including the UK legal market and a large number of UK local authorities) announces the partial acquisition of DC Drogencheck GmbH which was completed on November 14<sup>th</sup> 2007. Trimega officially becomes the second largest shareholder in Drogencheck GmbH.

This latest news means that the company can now further expand its already successful testing product range into the overall European market and leverage experience from Drogencheck whom already do a number of tests for the German drivers' license authorities and German Consulate-posts abroad.

Commenting on today's news, Managing Director, Avi Lasarow, said: "WITH OVERALL SALES PERFORMING WELL VERSUS LAST YEAR, THIS STRENGTHENS OUR POSITION EVEN FURTHER AND WILL OFFER THE MARKET A WIDER CHOICE IN SELECTING A COST-CONSCIOUS SERVICE PROVIDER.

FURTHERMORE THE HONORARY MEDICAL ADVISORY PANEL LED BY THE UK DEPARTMENT OF TRANSPORT MET IN MAY 2007 TO DISCUSS DRUGS AND SUBSTANCE MISUSE AND DRIVING. WE BELIEVE THAT THE EXPERIENCES FROM DROGENCHECK GmbH IN RELATION TO THEIR TESTING FOR DRUG & ALCOHOL RELATED DRIVERS IN GERMANY WILL SIGNIFICANTLY CONTRIBUTE AND ASSIST THE GROUP IN ITS POSITIONING WITHIN THE UK FOR WHEN THIS BECOMES A MANDATORY REQUIREMENT".
